Thanks. Does our desk statement indicate the region's initiating role?

Allison was in touch with them last week, and we've got another call scheduled later today. We're also developing a desk statement so we're prepared for any questions that might come up before a formal announcement.

It's possible the parties could be implementing the MOU without waiting for Juneau to sign.

Check w WDNR re press release timing? Cathy liked the approach of a quote in their release.

Linda,  
AGC has begun sending out the notification letters.

We were also notified this afternoon that the Wood County Board has approved signing the MOU. We're just waiting to hear from Juneau County. I'll forward a signed copy of the MOU as soon as I receive it.

WDNR and EPA communications staff are collaborating on the upcoming news release.  
Jim
